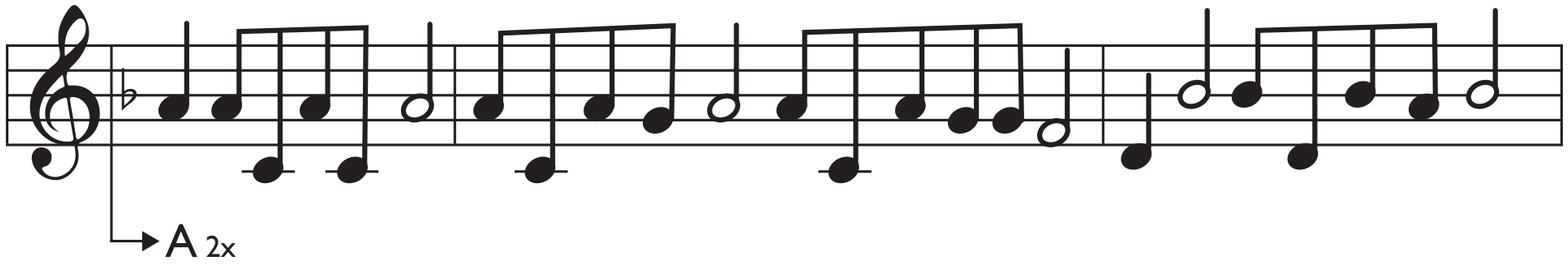
Frank Sinatra



Regrets, I've had a few But then again, too few to mention I did what I had to do

And saw it through without exemption I planned each charted course Each careful step along the byway

And more, much more than this I did it my way Yes, there were times, I'm sure you knew

When I bit off more than I could chew But through it all, when there was doubt

I ate it up and spit it out I faced it all and I stood tall I did it my way

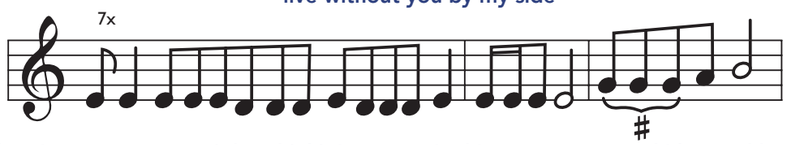
21. I will survive

Gloria Gaynor

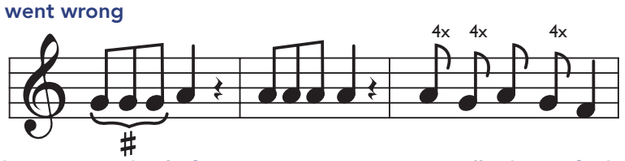
At first I was afraid I was petrified Kept thinkin' I could never

live without you by my side



then I spent so many nights thinkin' how it all went wrong

And I grew strong, and I learned how to get along



And now you're back, from outer space I just walked in to find you here with that

look upon your face I have tried sohard to change it to make you reconcile with me

If I'd have known for just one time I'd be the one to pay the fee

Go on now, go, walk out the door Just turn around now, 'cause you are not welcome anymore Weren't you the one who tried to leave me with 'goodbye'?

Did you think I'd crumble?
Did you think I'd lay down and cry?

Oh no, not I, I will survive! Oh, as long as I know how to love

I know I'll stay alive, I've got all my life to live and I've got all my love to give,
And I'll survive, I will survive, hey hey !

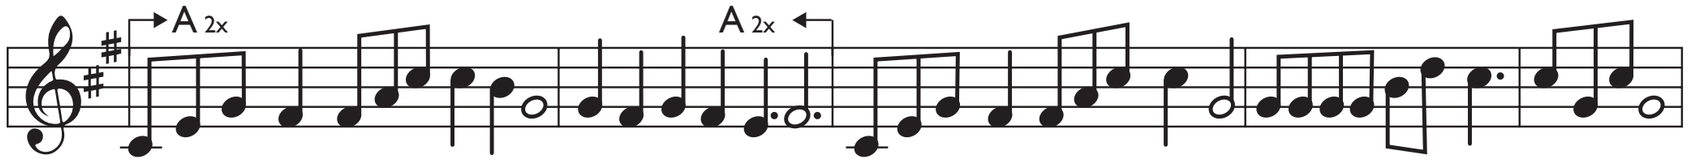
Ils avaient le ciel à portée de main Un cadeau de la providence Alors pourquoi penser au lendemain?

34. PAROLES, PAROLES

Dalida



Encore des mots, toujours des mots, les mêmes mots. Rien que des mots.

Des mots faciles, des mots fragiles, c'était trop beau. Bien trop beau

Mais c'est fini, le temps des rêves, les souvenirs

se fanent aussi, quand on les oublie

Caramels, bonbons et chocolats.
Merci pas pour moi

mais tu peux bien les offrir à une autre
Qui aime le vent et le parfum des roses

Moi, les mots tendres, enrobés de douceur, se posent sur ma bouche,

Mais jamais sur mon cœur.

PAROLES, PA-ROLES,

PAROLES, PAROLES, PAROLES, PAROLES,

PAROLES, PAROLES Encore des paroles
